

THE EXECUTIVE COUNCIL OF THE JERSEY EISTEDDFOD GENERAL NOTES TO ALL COMPETITORS

DATA PROTECTION (JERSEY) LAW 2005: To ensure confidentiality and privacy, all processing will be carried out under the requirements of the Data Protection (Jersey) Law 1987. This information may be disclosed and used outside the Jersey Eisteddfod where it is considered to be in the candidate's best interest. Should you require us to seek your individual consent to these disclosures PLEASE advise the Jersey Eisteddfod's General Administrator in writing. If you do not wish to receive promotional emails, please contact the Administrator.

PHOTOGRAPHS: It is common practice for names and photographs to be published in the local media when the Jersey Eisteddfod holds either of its two Festivals. If you have any concern in this regard, please contact the Section Chairman or the General Administrator either of whom will ensure that your wishes are respected.

COMPETITORS WITH SPECIAL NEEDS: Teachers or parents should pass on to the Adjudicator, through the organisers, any relevant information which might have an impact on the Adjudicator's task.

MINORS are the responsibility at all times of their Parent, Guardian or Teacher.

ADJUDICATORS: All adjudicators are independent professionals in their field, often from the United Kingdom but as a matter of policy normally from outside the Island

GENERAL NOTES APPLICABLE TO ALL SECTIONS WITHIN THE SPRING FESTIVAL (See notes in individual Syllabuses for more information)

GENERAL INFORMATION: We aim to attract /encourage as many as possible to enter their particular art or craft in the Eisteddfod for the enjoyment of others in the community to see and perhaps even try themselves in the future. Entrants also have the opportunity of having their work appraised by qualified adjudicators, from outside the Island and often gain valuable encouragement.

Adjudicating is an unenviable task especially when it involves judging such a wide variety of skills, but they accomplish this well as their broad knowledge of the subject has shown.

Three trophies are awarded by the Adjudicators each year for outstanding achievements, one for the Art Section, one for the Crafts and the third for a given Theme which entrants may wish to enter. Entries can be on any subject but there is also the extra challenge of working on the particular Theme chosen by the Committee. The Arts and Crafts section Committee was grateful last year for the help and involvement of competitors and their families as stewards.

ITEMS ENTERED: Whilst every effort will be made by the officials of the Jersey Eisteddfod to ensure that items are entered into the correct class and that they conform to the rules of entry, the final arbiter as to the suitability of an item for a particular class will be the Adjudicator, whose decision shall be final. **Entrants are advised to insure any article of value as the Jersey Eisteddfod cannot be responsible for any loss or damage.**

ENTRY FORMS must be signed by the Entrant, or the Parent, Teacher or Guardian of the Entrant, and no dialogue can be entered into as to the quality or standard of the work other than the signatory on the Entry Form.

EXHIBITED ITEMS entered and accepted by the Jersey Eisteddfod, may not be removed from the Exhibition by entrants or third parties without the prior written authority of the Chairman or appointed representative of the relevant Section and may then only be removed on presentation of proof of identity.

All articles and items are accepted and exhibited at the owner's risk as regards loss or damage, although the Jersey Eisteddfod will exercise reasonable care, insofar as it is able, during the period of the Exhibition.

CONDITIONS OF ENTRY

- Prints must be mounted on stiff card and framed, if wished, using card only; no wood, plastic, metal or glass.
- The size of the mount for single and composite images must not exceed 20 inches (50 centimetres) on any one side. Space for displaying entries is limited. The photography section is pleased to see mounting for artistic effect but please bear in mind that large, asymmetric margins around a small print will mean that fewer images can be exhibited.

- The name of the Exhibitor must not appear on the front of the Print.
